Summary

Highly skilled PL/SQL Developer with 3 years of experience in designing, developing, and optimizing complex database solutions within Oracle EBS R12. Proficient in PL/SQL, SQL, and Oracle Database management. Expertise in Oracle EBS modules such as Finance (AP, AR, GL), CRM, Install Base, and Service Contracts. Demonstrated success in performance tuning, issue resolution, and delivering automation solutions that enhance system efficiency.

Technical Skills

- **PL/SQL:** Procedures, Functions, Triggers, Packages, Bulk Collect, Cursors, Exception Handling, Dynamic SQL, RICEW Components, Collections, Ref Cursors, Autonomous Transactions. Materialized Views
- **SQL:** Complex Queries, Joins, Aggregations, Analytical Functions
- **Oracle Database:** 10g, 11g, 12c, 19c, Performance Tuning, Indexing, Partitioning, Explain Plan
- **Oracle EBS R12:** Finance, CRM, Install Base, Service Contracts
- **Development Tools:** SQL Developer, SQL *Plus, Oracle BI Reports, Oracle Forms, ETL, Bitbucket

Experience

Senior PL/SQL Developer | Accenture | Jan 2023 - Present

- Developed and optimized advanced PL/SQL programs, reducing execution time for critical processes by 40%.
- Automated workflows using concurrent programs, improving efficiency by 20%.
- Enhanced database performance through query tuning, indexing, and partitioning.
- Built integrations between Oracle EBS and external systems, ensuring seamless data exchange.
- Designed custom RICEW components to address specific business requirements.

Oracle EBS Techno-Functional Support Analyst | Accenture | Jan 2022 - Dec 2022

- Provided PL/SQL support and data fixes, ensuring SLA compliance.
- Supported Oracle EBS modules, assisting with customizations and enhancements.
- Collaborated with DBAs to implement changes with minimal downtime.
- Resolved incidents using SMAX, delivering timely solutions.
- Documented and implemented technical solutions for EBS customizations.

Education

B.Tech in Computer Science | APJ Abdul Kalam Technological University | Aug 2017 - Aug 2021

Certifications

- Oracle Database SQL Certified Associate
- Oracle Database PL/SQL Developer Certified Professional
